Mock election, SG closed meeting, AISA officers

JEFF RATLIFF

Associate Writer

George Bush narrowly defeated Michael Dukakis, with David Letterman tying for fourth place in a mock presidential election held yesterday by cable 4A, Wright State's television station. Of the 126 votes cast, Bush received 59, Dukakis took 52 and the remaining 15 were divided between write-in candidates, including Lloyd Bentsen, "none of the above", Jesse Jackson, Letterman, Mickey Mouse, and Alf.

Sue Stacy, News Producer and Production Manager for the station, explained that the mock election was organized by cable 4A to follow up on a series of opinion polls the station has been having since summer. Stacy said that the mock election is pri-

marily "a publicity campaign to get more recognition for the cable station." She said students see the station in Millett Hall and want to know "what we are and what we show." During the election some of the station's most popular programs were shown from videotape to help with the promotion.

The mock election also serves to remind students of the election next Tuesday, Stacy said. "This is a way to remind (people) that (they) do have a responsibility to vote."

Mock elections like these don't necessarily reflect the eventual outcome of the presidential election. Stacy explained that in 1972, students voted overwhelmingly for McGovern, but Nixon won the national election.

Stacy was previously an official election judge in Illinois, and is still very interested in the election process.

Former White House Chief of Staff to speak to Wright State students today

By MICHELERANCE

News Editor

Former White House Chief of Staff Senator Howard Baker, Jr. will be among the speakers today from 2:15-3:15 p.m., in the Auxiliary Gym, P.E. Building. Tickets are free, and available in the Student Government office. Doors will open at 1:45 p.m.

United State Representative from the 7th District Michael Dewine (R) will be there, as well as Ohio Senator from the 10th District Dave Hobson (R), and Ohio Representative from the 65th District Bob Doyle (R).

Senator Baker served in the United States Senate from 1966 until January of 1985, then became the President's Chief of Staff in February 1987, when President Reagan fired Regan from that position during the Iran-Contra Affair. He retired from this position in July of 1988.

After undergraduate studies at the University of the South and Tulan University, Senator Baker received his law degree from the University of Tennessee. He also served three years in the U.S. Navy during World War II.

He first won national recognition in 1973, as Vice Chairman of the Senate Watergate Committee. He also was the keynote speaker at the Republican National Convention in 1976, and was a candidate for the Republican presidential nomination in 1980. From 1977-1980, he served two terms as Minority Leader, and from 1981-1985, served two terms as Majority Leader.

Senator Baker received The Presidential Medal of Freedom in 1984, the 1982 Jefferson award for Greatest Public Service Performed by an Elected or Appointed Official, and honorary degrees from many educational institutions like Yale, Dartmouth and Pepperdine.

He is a member of the law firm of Baker, Worthington, Crossley, Stansberry & Woolf. He and his wife, Joy, reside in Huntsville, Tennessee.

U.S. Representative Dewine is in his third term in the House. The 7th District, which he represents, includes Clark, Greene, and Logan counties. He was the Greene County Prosecuting Attorney.

According to Dewine's Staff Assistant in Washington, Mary Beth Carozza, Dewine, "focuses on law and order issues," she said. "He worked to pass the mandatory sentencing law for rape and murder cases, and Ohio's drunk driving laws are some of the stiffest in the United States."

"He is currently working on a drunk-driving law, which fills up the loophole that allowed those convicted of drunk driving on federal land off pretty easy."

She also said his three top assignments have been the Drug Task Force this year, the Iran-Contra committee, and the prosecutor in the historic impeachment trial of Judge Clayborn.

State Senator Hobson was appointed to

By JEFF RATLIFF

Associate Writer

Last night's Student Government meeting was closed to the public due to a lack of quorum. The SG members went into executive session soon after 7:00 p.m.

The meeting was scheduled to include a report on the Enrollment Management Task Force, and old business such as the Nutter Center, and faculty use of the weight room.

In a discussion before the meeting, Scott Bemby reiterated his feeling that exclusive use of the weight room by faculty during crucial daytime hours is unfair to students. Bemby said the hours set aside for faculty use are needed by students, and faculty and staff members do not make extensive use of the facilities at those times. "I mean

who paid for those weights," Bemby said.

The next meeting will be held Tuesday the 8th at 7:00 in the Student Government office.

Attention

The following students were elected officers of the American-International Student Association on Thursday: Javed Abidi, President; Nisar Alikhan, Vice-President; Jinous Vafaie, Secretary; Muhammad Al-Lahabi, Treasurer; and Raef Kafeel, Activities Director.

Correction:

In the last Student Budget Board (SBB) story, it was incorrectly stated that Eric Hutzel was chairer of SBB. Eric Crouch is the chairer or SBB.

sports

Cross country sweeps dual competition for fifth time

By BRYAN ELLIS

Staff Writer

The Wright State Raider cross country teams remained undefeated in five years in dual meet competition this past weekend, sweeping both the men's and women's titles at the Youngstown State Quadrangular meet.

In a meet with three Division I foes, Wright State defeated host Youngstown State, Robert Morris, and Duquesne. The Raider men defeated YSU 19-40, Robert

Morris 17-42, and Duquesne 16-45.

Head coach Mike Baumer was pleased with both team's performances. "I'm excited about how things went. It was a long drive to Youngstown, but otherwise the weekend went real well. The guys were in the position at the two mile mark to shut the other teams out and sweep the meet. At the end, we had some mental lapses, but still won by a large margin. The women had some good overall individual efforts, and overcame the

weather and course to win big as well."

The men were led by Sam Studebaker, who took top honors for the meet, winning in 26:17. Studebaker could have ran an even faster time had he not been misdirected and ran an extra 200 to 300 yards.

Todd Bunnell and Steve Perez also ran well, finishing second and third, respectively. Bunnell crossed the finish line in 26:37, while Perez came across in 26:41. Baumer said, "Todd and Steve pushed each other the

whole race, and didn't let up on each other at all."

Jim Salyer ran a good race, placing himself sixth with a 27:08. Andy Bleh ran a time of 27:51 to put him tenth overall to end the Raider scoring. Ed Rhoads ran on Bleh's heels the entire race and broke the 28 minute mark for the first time in his career. Baumer said, "Ed ran a real good race, probably the best of his career. I really think he could help us at Regionals as our sixth or seventh man." Rhoads' performance also earned him

Athlete of the Week for the men's cross country team.

The women were led by Shelly Bauer, who won her first collegiate race ever in her last regular season of her career. Bauer ran a time of 19:55 to take top honors. Cheryl Searcey kept the pressure on Bauer the entire race, pushing her way; to second place in 20:04. Pam Blakely ran a nice race for the Raiders, finishing fourth in 20:15. Lindie Keaton earned Athlete of the Week honors, for her sixth place time of 20:26. Baumer said, "Lindie ran an

exceptionally strong race, was aggressive all the way and finished well."

Summers continued her improvement with a fourth place time of 21:36.

The Raiders now look toward the District I Regional in two weeks on November 12 at Champaign, Illinois. Up to 40 men's and women's teams from 11 states will compete with Wright State. The meet includes nationally-ranked teams like Wisconsin, Indiana, Notre Dame, and Michigan.

Soccer victory over Hilltoppers brings record one closer

By EAMON COSTELLO

Associate Writer

The Wright State men's soccer team hit the road last week in an effort to further etch their names in the annals of WSU soccer history.

The Raiders took a seven game win streak against the Hilltoppers of Western Kentucky, needing one more victory to tie the record of eight straight set by the 1970 squad.

The Hilltoppers tried to set the tone of the game even before it started. During the pregame warmup, Western Kentucky played the hard rockin' Guns n' Roses tune, *Welcome to the Jungle*, over the loudspeaker in an attempt to intimidate WSU. The plan backfired. WSU head coach Greg Andrulis said, "When the guys heard that,

they really got fired up and came out ready to play."

The Raiders wasted no time in converting that early energy into a goal. Jim Kinderdine did the honors, as he fired the ball past WKU goalkeeper Lee Walton at the 7:30 mark. That goal proved to be all the Raiders would need, as they had yet another stellar defensive performance. Sherman Mink picked up yet another shutout for WSU in net.

The loss dropped WKU to 5-11-1 on the season, but Andrulis said, "Western Kentucky is a much better team than their record indicates. They got off to a slow

start, but they have been playing very well as of late."

WSU outshot WKU 9-8.

Over the weekend, WSU travelled up to Connecticut with two goals in mind: to make a name for Wright State among the big soccer schools in the East, and to come away with a school-record tying 15 victories. On Saturday, the Raiders hooked up with a highly-touted Central Connecticut team. The game didn't start out well for WSU. Sixteen minutes into the match, the Blue Devils were awarded a penalty kick for a WSU handball violation. John Moss took the kick and put the Raiders in an early hole.

Wright State got back on track early in the second half, when Gene Baker beat Central Connecticut keeper Mark Cytron. Assists went to John Gibbs and Jim Ulrich.

With the score knotted at one, and time dwindling in the second half, it looked like the teams were headed for overtime. However, with four minutes remaining, UCC forward Steve Coxen scored, giving the Blue Devils a 2-1 lead.

With defeat staring them in the face, WSU dug deep and came up with a miraculous goal, with only 42 seconds on the clock. Ulrich was assisted by

Baker and Brian Walters, who sheided on the goal.

Regulation ended in a 2-2 tie, and neither team scored in the overtime period. The tie left UCC at 11-4-2 on the season.

On Sunday, the Raiders took on the University of Hartford, which had tied the previously number-one ranked Harvard early in the season. Wright State played very well against Hartford, getting off 15 shots, but couldn't put the ball past Hartford keeper Chris Miedru. However, WSU's defense rebounded from the previous day to assist Mink in setting up his record-setting 11th shutout of the season, which was also the 11th for the team, breaking the old record of nine set by the 1982 squad.

The win and two ties left WSU at 14-4-2 on the season.

Andrulis said, "I think we achieved our goal of making a name for ourselves and getting some respect amongst the soccer powers on the East coast."

The last two games of the year for Wright State are today against the Buckeye of Ohio State at 3 p.m., and on Sunday, in the season finale, WSU will host Miami. The game is Fan Appreciation Day, in which television and other prizes will be given away.

MONA LISA
OVERDRIVE

WILLIAM
GIBSON

AWARD WINNING AUTHOR OF
NEUROMANCER

Step into William Gibson's future, a world at once lyrical and mechanistic, erotic and violent, thought-provoking and mind-bending. It is a world in which multinational corporations and free-lance high-tech outlaws jockey for power, traveling into the bizarre, computer generated universe known as cyberspace.

The Washington Post called Gibson's *NEUROMANCER* "an amazing virtuoso performance...state of the art." Now, *MONA LISA OVERDRIVE* shows Gibson cutting into more highly charged territory, with chilling action and provocative ideas. It's the state of tomorrow's art! Published by Bantam Books.

"Joke Off" offers "big break" to aspiring comedians

SCOTT URICK

Associate Writer

Thursday night. Promising young comedians, and people who merely think they are funny, will gather in The Rathskellar to tickle our funny bones and lighten the mood.

Hosting the show is Kay Frances from WYMJ-FM 104's morning show. Originally from Wilmington, Ohio, Frances is a graduate of

Wright State, who has built a respectable career as a comedienne. Her enthusiasm at being the mistress of ceremonies Thursday night stems from the fact that her comic career started in much the same way. While vacationing in Cancun, Mexico, she took the stage on a dare, and became hooked on the life of the comic. She has been tour-

ing ever since, until she recently took a job as an on-air personality at WYMJ here in Dayton.

Thursday night's program will be a competition as well as an exhibition, with all of the entrants competing for a twenty-five dollar top prize. The competition is open to anyone, or any type of humor, and judging will be done

by three judges from U.C.B. Entrants will be judged on overall comedic effect and audience response. Everyone will be grouped in one category, so whole routines, or someone with just a couple of jokes, will be judged side by side.

Admission is free for the audience, and entry in the contest is free to contestants.

If you want to laugh, or if you want to make people laugh, come to the "Rat" Thursday night, and you'll have your chance.

Anyone interested in competing is encouraged to stop by the U.C.B. offices and see John Bargdill, or just come to The Rathskellar Thursday around 7:00 p.m. to register before the show.

Grease captures the rock and roll feeling of Fifties

Wright State University Theatre will present *Grease*, the rollicking musical salute to the Fifties rock'n'roll era, November through 27, 1988.

Grease replaces the previous title announced for this season, *Merrily We*

Roll Along, which was withdrawn because of a problem with licensing rights. "We are very disappointed about losing *Merrily*," said Robert Hetherington, artistic director of University Theatre. "But we have always been inter-

ested in doing *Grease*, and I'm very excited to be directing it."

Written by Jim Jacobs and Warren Casey, *Grease* presents Rydell High's spirited class of '59—gum chewing, hubcap stealing, hot rod-loving boys with

DA's and leather jackets and their wise-cracking girls in teased curls, bobby sox, and pedal pushers—who capture the look and sound of 1950s rock'n'roll. While hip Danny Zuko and wholesome Sandy Dumbrowski resolve the prob-

lems of their mutual attraction for one another, the gang sings and dances its way through such nostalgic scenes as the pajama party, the prom, the burger palace, and the drive-in movie. *Grease's* eight-year run made Broadway history.

"*Grease* is a good-natured satiric look at the early rockers of the Fifties—it has all the Buddy Holly hiccups and Elvis Presley wiggles," said Hetherington. "It has lots of opportunities for great dance numbers."

UCB to create second biggest card for Letterman show

JAMES TRZECIAK

Associate Writer

ence and says: "We have a big show tonight, but first here is a card from the students of Wright State University in Dayton, Ohio." But, this is no ordinary Valentine's Day card. This card, when opened up, is eight feet

long and eight feet wide. The Wright State University Center Board's Department of Recreation is holding a Valentine's Day contest, in which any person can make an eight-by-eight-foot card for David Letterman.

UCB's original intention was to try to create the biggest card in the world, but the idea was nixed as being too difficult. Instead, according to Amy Frisch, UCB Recreation Chair, they are trying for the "Almost Big-

gest Valentine's Day Card in the World."

After being displayed in spots around campus for students to sign, the winning card will be sent to the Letterman show, where it will be shown on February 14.

Cards may be submitted to the UCB office any time during the day from October 28 to November 18 at 2 p.m. Supplies, if needed, will be provided by the Center Board. A prize will be given to the contest winner.

Continued from page 1

Dewine's position as State Senator of the 10th district in 1982, and has held that position. The 10th District includes Clark, Clinton, Greene, and Fayette counties. He is the Chairman of the Health, Human Services and Aging. According to Kay

Hobson, Hobson is currently working on a "broad and comprehensive bill on AIDS," she said. "The bill, put into effect, will work to alter the course of AIDS—will encourage those at risk of AIDS to be tested, will increase reportability of AIDS, will educate people about AIDS, and create ap-

propriate and cost effective long-term care programs for the care of those already infected."

The bill is in an Ohio Senate committee, she said, and if everything goes as scheduled, could be in effect by January of 1989.

Doyle has served three terms as the Ohio Represent-

tative from the 65th District. The 65th District includes Beavercreek, Fairborn, Xenia and Yellow Springs.

He serves on several committees in the State House, including Education, College and University, Insurance, and Medicaid Oversight committees, and he is the ranking minority member

of the Health and Retirement committee.

"I've helped secure, working with other legislators, over 17 million dollars for WSU—to help in the building of the Engineering Building and the Ervin J. Nutter Center," Doyle said in a phone interview.

Also associated with

WSU, he noted that he's a member of WSU's Pacesetter Club, and has worked with WSU President Paige Mulholland.

He has been the Vice-President of the Jaycees, Vice-President of the Chamber of Commerce, and President of the State Insurance Agents Association.

GTE North increases rates

The Public Utilities Commission of Ohio (PUCO) has authorized GTE North a rate increase in telephone rates on October 28. The company had filed an application to increase rates by \$3,254,000. However, after a lengthy rate case proceeding, the Commission determined that GTE North was entitled to \$23,703,000, an approximate increase of over current operating rates.

In the company's last rate case, the Commission ordered a management audit of the company's policies and practices, citing an overall unsatisfactory level of service.

The Commission has determined that the company has made improvements in quality of service, and as a result, has ordered that the investigation proceedings cease. However, Chairman Thomas Chema noted, "Al-

though the Commission has authorized the company's return on equity to be at the midpoint of the second quartile of the range of return, rather than at the low end of the range, as it was in the last rate case, the Commission emphasizes that the record shows that there is still room for improvement in the company's operations and services."
